o1o surfaces with part 2 of the **Undatow** Series. The Undatow true to the definition represents a sonic counter current to the routinely safe Bay Area Hip-Hop sound. Continuing the Deepblak ethos of pushing forward this 4 Track EP is Laced with grit, and groove. We hope you can vibe.

ah. something from the leftfield. really like vibe.
makes me work double as fast as possible... ;))
serious musicality. thx!!!!

I really dig the slomo tunes.
Really challenging shit
Thanx once again for sending
Peace
